Baby, I Hate You

Total Chaos

You are the most annoying person
That I have ever met
Why don't you just keep on walking?
Do not stop hereCan't you see that I hate you?
I want you to drop dead
Please stay away from me
And all my friendsI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI can see, no one was ever liked you
You get pushed around at school
I have always known where to find you
In a trash can or in a stallEven your mom couldn't like you
You're the slop of them all
Please stay away from me
I'll always sayI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
And I'm glad, you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not thereI want you to know, I hate you baby
I want you to know, I don't care
So happy when you're not around me
I'm glad when you're not there
