

# Bulls In The Bronx

## Pierce The Veil

Do you know I count your heartbeats before you sleep  
I bite my fingernails to bone, and then I crawl back under the stairwell

To a place I call my home

I really hope you enjoy the show, because for me it's just a bad day

You need people like me to feel

Maybe we're just having too much fun

Maybe you can't handle yourself

Staring at me with your lips and tongue

You'll never know

I don't know where I'm going to sleep, tonight

She said hotels are cheap and there's one down the street

But don't you threaten me with a good time

Murder the moment, my god I'm the serpent

I'm sorry I can't see that you truly love me

Maybe we're just having too much fun

Maybe you can't handle yourself

Staring at me with your lips and tongue

I've been having this dream that we can fly

So maybe if we never wake up we can see the sky

Please don't take this out on me

'Cause you're the only thing that's keeping me alive

And I don't wanna wait for the down set date 'cause

I would rather end it all tonight

And if I mean anything to you to you, I'm sorry but I've made up my mind

Maybe we're just having too much fun

Maybe you can't handle yourself

Staring at me with your lips and tongue

I've been having this dream that we could fly

So darlin' close your eyes

'Cause you're about to miss everything
