

Guilty (Prostitution Remix)

Gravity Kills

Behind closed doors your words ring hollow
What you said they'd be
What behavior?
Who are you, but I like it
Now I'm done with nothing new
Sometimes green sometimes blue And I'm guilty
And I'm guilty
And I'm guilty
And I'm guilty
And you're guilty too Hey, hey, hey I'm guilty
And you're guilty too
Hey, hey, hey, hey
I'll tell you something, something new
You're hearing nothing, nothing true
You're killing me, I'm killing you
And I'm guilty too One two three
I found you out so easily
One two three
I found in you what I found in me
The time is wrong, the time is right
Be careful who you kill tonight And I'm melting
And I'm melting
And I'm melting
And I'm melting
And I'm melting in you Hey, hey, hey I'm guilty
And you're guilty too
Hey, hey, hey, hey
One and one and one makes three
One and one why don't you see
I'm killing you, you're killing me
Can't you set me free Inside out,
I can't describe it
What you do to me
Inside out
I cannot hide it
Looking right through me
Now I've reached the living end
Pointing fingers to defend And I'm guilty
And I'm guilty

And I'm guilty
And I'm guilty
And you're guilty tooHey, hey, hey I'm guilty
And you're guilty too
Hey, hey, hey, heyI'll tell you something, something new
You're hearing nothing, nothing true
You're killing me, I'm killing you
And I'm guilty too
