

# Simple

Glen Phillips

I'm complication  
Live wire down  
Come agitation  
Distorted sound You're celebration  
Girl on a swing  
Passion and patience  
Unbroken ring It's simple, simple, simple  
Simply all I need I'm jagged rock  
You, waterfall  
Your gentle touch  
You wear me down Till I am smooth  
Till I allow  
Till I can bend  
Till I bow It's simple, simple, simple  
Simply all I need I'm jagged rock  
You, waterfall  
Your gentle touch  
You wear me down Twilight sleep, wanna forget  
Everything these last years  
Take them away  
Wanna peace again Simple, simple, simple  
Simply all I need  
Simply simple  
Simply all I need
