

Luv Eyes

Shania Twain

This friend of mine, he looks real good
He drives a fast car and lives in Hollywood
He treats me like his little sis
I gotta let him know I want more than this
I want more
His girlfriend Jane is a prissy brat
I don't know what he sees in that
Think, she's cool in her short tight dress
Take away the glamour and she's just a mess
Do you ever think of me
As more than just a friend?
Ever, will this dream never end?
I got LUV eyes lookin' at you
I gotta BIG heart made for two
Would you feel the same if you only knew
I got LUV eyes lookin' at you?
I wanna close my eyes and take a deep breath
I wanna be strong but I'm scared to death
I wanna put your arms around my waist
And tell you that I love you right to your face
Do you ever think of me

As more than just a friend?
Ever, will this dream never end?
I got LUV eyes lookin' at you
I gotta BIG heart made for two
Would you feel the same if you only knew
I got LUV eyes lookin' at you?
This friend of mine, he looks real good
Guess who made it to Hollywood
No more Jane, I got her beat
Now I'm sittin' pretty in the front seat
Have you ever looked at me
And felt the feeling of heaven
With the two of us in love?
I got LUV eyes lookin' at you
I gotta BIG heart made for two
Would you feel the same if you only knew
I got LUV eyes

I got LUV eyes lookin' at you
I gotta BIG heart made for two
Would you feel the same
