One By One

Red Foley

One by one we've broke each vow we made
It was you who lied it was me who paid
As sure as there's a heaven beyond the sun we'll pay for our lies one by one
My plans and hopes have tumbled down my castle of dreams plunged to the groundHow can you face me after what you've done
You've shattered my dreams one by one
One by one...How can you go to sleep at night don't know mem'ries make you long for daylight
You'll pay the price after having your fun you'll regret each mistake one by one
The love I treasured you sold for gold and then you left me cold
You're happy now but the time will come your false love will lead you one by one
One by one...
