

# One By One

Red Foley

One by one we've broke each vow we made  
It was you who lied it was me who paid  
As sure as there's a heaven beyond the sun we'll pay for our lies one by one  
My plans and hopes have tumbled down my castle of dreams plunged to the ground  
How can you face me after  
what you've done  
You've shattered my dreams one by one  
One by one...How can you go to sleep at night don't know mem'ries make you long for daylight  
You'll pay the price after having your fun you'll regret each mistake one by one  
The love I treasured you sold for gold and then you left me cold  
You're happy now but the time will come your false love will lead you one by one  
One by one...
