Imagine

Shola Ama

Yeah, oh, yeah
Shola, ama, mmm, yeah
Mmm, yeahImagine if I told you I want you
Imagine if it all came true
Tell me what you would do with me
Would you tell me that you feel the sameImagine if I told you,that I need you
Would you say, "Baby, I need you too"
No matter what you do
I know you should be in love with meSometimes I find myself locked into
Secret thoughts hoping they come true
Sometimes at night I feel you lying next to meBaby but these are the things I could never tell you
I can't imagine what you would do
After all you're so far away from me from meSometimes it feels just like a fantasy
And I don't know what to do
'Cos it's always been like a dream to me
To find a love so trueBut I know it's only make believe
When I'm picturing me and you
But one day I know that you'll be
The one that makes my dreams come trueImagine if I told you I want you
Imagine if it all came true
Tell me what you would do with me?
Would you tell me that you feel the same?Imagine if I told you that I need you
Would you say, "Baby I need you too"
No matter what you do
I know you should be in love with meThere's a feeling so deep inside
Telling me we were meant to be
Praying that someday you will come for me, for meBut till then I'm just day dreaming
Thinking about the way things could be
But it don't matter
'Cos you're still far from me babySometimes I feel just like a fantasy
And I don't know what to do
'Cos it's always been like a dream to me
To find love so trueBut I know it's only make believe
When I'm picturing me and you
But one day I know you'll be
The one that makes my dreams come trueImagine if I told you I want you
Imagine if it all came true
Tell me what you would do with me
Would you tell me that you feel the same?Imagine if I told you that I need you

Would you say, "Baby, I need you too"
No matter what you do
I know you should be in love with meHow can you be so far from me, yeah?
How can I keep loving you endlessly?
How can we be so far out of reach?
It's just not the way that I hoped it would be
