

# Eyes of the World (Demo)

## Eden's Curse

Sometimes, the weight  
Of this world's heavy on my shoulders  
Too many problems, too much trouble deep inside  
Sometimes I feel like this  
Whole world's staring at me  
So much, to blame, so much to criticize Now that I've filled my  
Heart with dreaming, completely  
Now that I've killed a heart that's guilty  
Well I'll see Fate is always staring at with me  
The eyes of the world  
Guilt is always burning deep in me  
Fate is always staring at with me  
The eyes of the world  
How can I break  
From this trial by fire  
Break all, these chains, and try to breathe again  
Am I, depressed, am I  
Some lonely wounded soldier  
So hard to cry, so much to tear apart
