

# Don't Walk Away

## Firehouse

Girl, you and I've been together  
For as long as I can remember  
We've come too far to throw it all away  
But you tell me that you're leavin'  
Oh, and I just can't believe it  
You know, I'd do anything if only you would stay  
So if you love me, then don't leave me  
Don't throw it all away  
Baby, I'm beggin' you, please  
Don't walk away  
Don't leave and break my heart  
'Coz it hurts, because I love you  
It's tearin' me apart  
Never too late to say we're sorry  
Try another way  
Baby, I'm down on my knees  
I need you baby  
Don't walk away  
Now we've both done things that we regret  
We could learn to forgive and forget  
We'll make it better, give it another try  
Baby, don't give up, don't give in  
Walkin' away won't solve anythin'  
There's nothin' that I wouldn't do to keep you satisfied  
So if you love me, then don't leave me  
Don't throw it all away  
Baby, I'm beggin' you please  
Don't walk away  
Well, don't leave and break my heart  
'Coz it hurts, because I love you  
It's tearin' me apart  
Never too late to say we're sorry  
Try another way  
Baby, I'm down on my knees  
I need you baby  
Don't walk away  
So ohh oh, don't walk away  
Well, don't leave and break my heart  
'Coz it hurts, because I love you

It's tearin' me apart  
Never too late to say we're sorry  
Try another way  
Now, I'm on my knees  
I need you baby  
Don't walk away  
Don't leave me, baby please  
Don't walk away  
Woh ooh woh, don't walk away  
Aaah, don't leave me this way  
I beg you to stay  
Don't walk away  
Hah, don't walk away
