

# Woman Don't You Cry For Me

[George Harrison](#)

I'm gonna leave you here  
I'm gonna leave you at the station  
I've got a long way to go, baby  
Woman don't you cry for me Now I can't take no more  
Now I don't need no complication  
I've got a long way to go, baby  
Woman don't you cry for me There's no one place I want to be  
Attachment only hurts you  
Take care of yourself, baby  
C'mon won't you let me be There's just one thing I got to see  
That's the Lord got to keep Him in sight  
Take care of yourself, baby  
C'mon won't you let me be There's no one place I want to be  
Attachment only hurts you  
Better take care of yourself, baby  
C'mon won't you try to see There is just one thing I got to see  
That's the Lord got to keep Him in sight  
Better take care of yourself, baby  
C'mon won't you let me be Now baby here's the door  
I don't need no aggravation  
I've got a long way to go, baby  
Woman don't you cry for me I'm gonna leave you here  
I'm gonna leave you at the station  
I've got a long way to go, baby  
Woman don't you cry for me I've got a long way to go, baby  
Woman don't you cry for me
