

# One And Only

## Mariah Carey

I'm lookin' for my one and only  
Every time I turn around  
I find my heart in pieces on the ground  
So so lonely

I'm lookin' for my one and only  
I'm riding home in pain again baby  
But that don't mean suck to you  
You're currently engaged in an intimate conversation  
With a young groupie or two  
They say players only love you when they're playing games  
Still I gave my heart to you  
I should have stayed away  
Like my friends all told me to  
Every time I turn around  
I find my heart in pieces on the ground  
So so lonely

I'm lookin' for my one and only  
Every time I turn around  
I find my heart in pieces on the ground  
Why can't I find my one and only?  
(See I'm looking for a man that'll rub me slow)  
See I'm looking for a man that'll rub me slow  
Make me sing real high  
When he goes down low  
But see it ain't just a physical thing  
He's gotta treat me affectionately  
And I gotta know he won't betray my trust  
Just like every other motherfucker does  
Is this just an impossible dream  
Baby  
To elusive to pursue  
It's been such a sad and windy road for me  
Just searchin' for the truth  
Every time I turn around  
I find my heart in pieces on the ground  
So so lonely

I'm lookin' for my one and only  
Every time I turn around  
I find my heart in pieces on the ground

Why can't I find my one and only?  
Now you know roll a Beamer and a Benz  
When I'm dishin' out ends  
Why you trppin' on a player baller  
Havin' good conversation while we rollin' on 2-4's  
And I know you got doubts  
But why you listenin' to what people talkin' 'bout  
You ain't figured out why they call ya  
The hefas steady hatin' 'cause you rollin' on 2-4's  
See how yo money flo  
You dressed in designer clothes from head to ya toe  
You ain't satisfied well tell me what you lookin' for  
(I'm lookin' for my one and only)  
Well, I'll be yo one and only if you give me a chance  
I'll make a change for you girl  
I know I ain't been the mos faithful nigga in the world  
But lets stay together so we can shine like pearls  
Spit it to her while I fill her got her hot like fire  
To kiss yo lips I desire  
Twis and Mariah together like them grips on ya tires  
(Lookin' for my one and only)  
Well come here Shawty well let me make it better  
We can do whateva while we sittin' on sued and leather  
Flickin' through the city while we ridin' on chrome  
Lets kick it in the Chi  
I know I messed up wit you an I ain't gon' lie  
I know you was feelin' you really know yo guy  
But baby girl, I ain't mean to blow yo high  
Let me pick the pieces up and but um back together  
'Cause I wanna be wit you don't wanna leave you lonely  
Ride wit you like a hommie neva no fony  
Shawty can I be yo one an only  
(Every time, oh)  
(Every time I turn around)  
I find my heart in pieces on the ground  
So so lonely  
(Why?)  
I'm looking for my one and only  
Every time I turn around  
(Agh, ha ha ha ha)  
I find my heart in pieces on the ground  
Why can't I find my one and only?  
(Still lookin' for my one and only)  
Every time I turn around  
(Agh, ha ha ha ha)

I find my heart in pieces on the ground

So so lonely

I'm lookin' for my one and only

(I'm lookin' for my one and only)

Every time I turn around

(Agh, ha ha ha ha)

I find my heart in pieces on the ground

I'm lookin' for my one and only

Why can't I find my one and only?
