

Yellow Raincoat

[Justin Bieber](#)

Guess I'll put on my raincoat, my yellow raincoat
Baby, it's keeping me dry
I put on my raincoat, my yellow raincoat
You know exactly why When the wind blows, and the sun goes away
And the sand fall, stormy day,
That's what it's for, yeah, that's what it's for, yeah
And as it pours down, the water sprinkles off my jacket slow yeah,
Jacket slow yeah Well never do I ever do I ever want this to phase me
Well never do I ever do I want this thing to make me
'Cause the fame and the money, and the girls will drive you crazy
And all the "He said, she said", I'm thinking maybe
Just put on my Guess I'll put on my raincoat, my yellow raincoat
Baby, it's keeping me dry
I put on my raincoat, my yellow raincoat
You know exactly why But as I look around, I see
What nothing can never, change me uh
Well, all I gotta do is stay me yeah
Let's the rest do the work and I'm sure that it'll be fine, be fine When the wind blows, and the sun goes away
And the sand fall, stormy day,
That's what it's for, yeah, that's what it's for, yeah
And as it pours down, the water sprinkles off my jacket slow yeah,
Jacket slow yeah Well never do I ever, do I ever want this to face me
Well never do I ever, do I want this thing to make me
'Cause the fame and the money, and the girls will drive you crazy
And all the "He said, she said", I'm thinking maybe
Just put on my Guess I'll put on my raincoat, my yellow raincoat
Baby, it's keeping me dry
I put on my raincoat, my yellow raincoat
You know exactly why Just put on my
Just put on my
Just put on my Guess I'll put on my raincoat, my yellow raincoat
Baby, it's keeping me dry
I put on my raincoat, my yellow raincoat
You know exactly why yeah Uh, oh oh, yeah
