

# Set Me Free (Live 1976)

## The Sweet

Gagged, ball and chained  
Feel just the same  
Heads on the wall  
Maybe you're just playing games  
Set me free  
Mauled by her hound  
Hangin' around  
Is this for real  
I don't know when I'll be found  
Set me freeAh set me free  
Ah set me free, from youTaken by force  
By you of course  
Far from my bed  
I know I'd rather be dead  
Set me freeAh set me free  
Ah set me free, from youFire in my brain  
Burn me insane  
Making your mark  
Don't leave me here in the dark  
Set me free  
Call me a saint  
That's what I ain't  
Inside my head  
Maybe I'd feel better dead  
Set me freeAh set me free  
Ah set me free, from you
