

# Dawn (Go Away)

John Lloyd Young

Pretty as a midsummer's morn,  
They call her Dawn.

[Chorus]  
Dawn,  
Go away I'm no good for you.  
Oh Dawn,  
Stay with him, he'll be good to you.  
Hang on,  
Hang on to you.

Think,  
What a big man he'll be.  
Think,  
Of the places you'll see.  
Now think what the future would be with a poor boy like me.

Dawn go away,  
Please go away.  
Although I know,  
I want you to stay.  
Dawn go away,  
Please go away.  
Baby, don't cry.  
It's better this way.  
Ahh, ahh, ah.  
Ohh-ohh-oh.

[Chorus]  
Dawn,  
Go away back where you belong.  
Girl we can't,  
Change the places where we were born.  
Before you say,  
That you want me.  
I want you to think,  
What your family would say.  
Think,  
What your throwing away.  
Now think what the future would be with a poor boy like me.

Meee-ee.

[Chorus]

Dawn,  
Go away I'm no good for you.

Dawn,  
Go away I'm no good for you.
