

Lover, Please Stay

Nothing but Thieves

Lover, I know you're weary
Eyes are tired from the night
Lover, Come to the kitchen floor
 Tiles are cold
 So am I
 So take from me
 What you want
 What you need
 Take from me
 Whatever you want
 Whatever you need
But lover, please stay with me
 Lover
 I feel your sorrow
 Pouring out
 Of your skin
 And I don't want to be alone
 If I'm tonight
 I'll always be
 So take from me
 What you want
 What you need
 Take from me
 Whatever you want
 Whatever you need
But lover, please stay with me
