

# Make It Now Again

## Mudhoney

Make a hole  
Make it wide  
Make a hole  
Make it wideMake it now  
Make it now  
Make it now  
Make it nowI'm so far from here  
I'm so far from here  
I'm so far from here  
I'm so far from here right nowMake me whole  
Make me right  
Make me whole  
Make me rightMake it now  
Make it now  
Make it now  
Make it nowBehind these walls  
Locked up tight  
No more darkness  
No room for light  
Speak to meI'm so far from here  
I'm so far from here  
I'm so far from here  
I'm so far from here right now
