Girls

Jah Stranjah

Girs,do you want me in your life, do you wants me in your life, well say something say something girl child, girls really I AM you first choice, well you got it from me and nothing can divide us yeaa,

Do you ever see a woman body bounce like this
Do you ever see a woman body work like this its serious, its serious
Do you ever let the ladies them wine like this, its serious its serious
