

You Can Come to Me

Ross Lynch & Laura Marano

When you're on your own
Drowning alone
And you need a rope that can pull you in
Someone will throw it And when you're afraid
That you're gonna break
And you need a way to feel strong again
Someone will know it And even when it hurts the most
Try to have a little hope
That someone's gonna be there when you don't
When you don't
If you wanna cry, I'll be your shoulder
If you wanna laugh, I'll be your smile
If you wanna fly, I will be your sky
Anything you need that's what I'll be
You can come to me You struggle inside
Losing your mind
Fighting and trying to be yourself
When somebody lets you Out in the cold
But no where to go
Feeling like no one could understand
Then somebody gets you So take a breath and let it go
And try to have a little hope
'Cause someone's gonna be there when you don't
When you don't
If you wanna cry, I'll be your shoulder
If you wanna laugh, I'll be your smile
If you wanna fly, I will be your sky
Anything you need, that's what I'll be
You can come to me
Like a chain that never breaks
Like a truth that never bends
Like a glue that takes a broken heart and puts it back again
It's the feeling that you get
It's the moment that you know
That no matter what the future holds
You'll never be alone
If you wanna cry, I'll be your shoulder
If you wanna laugh, I'll be your smile
If you wanna fly, I will be your sky

Anything you need, that's what I'll be
If you wanna climb, I'll be your ladder
If you wanna run, I'll be your road
If you want a friend, doesn't matter when
Anything you need, that's what I'll be
You can come to me
You can come to me,
Yeah
