

Permanent Stain

Backstreet Boys

Out in the rain, looking for sunshine
I call your name but you're like a ghost
I let you disappear
Should've never let you go I wanna say just for the record
That you still got my heart and my soul
And though we're worlds apart
Yeah I gotta let you know You are the piece I can't replace
You left a mark that won't erase, oh No one else can teach me how to love again
'Cause you left a permanent stain on my heart
And I've been feeling it
Never mind what people say cause they don't understand
how you left a permanent stain on my heart
You're never leaving it Some tried to break through the walls that
I built up but they don't compare to you
One chance and I swear
I never let you go You are the piece I can't replace
You left a mark that won't erase, oh No one else can teach me how to love again
'Cause you left a permanent stain on my heart
And I've been feeling it (I've been feeling it)
Never mind what people say cause they don't understand
how you left a permanent stain on my heart
You're never leaving it You left a permanent stain on my heart
You're never leaving it Wash away the tied
Never gonna fade
No one can touch the flame
Or tame the fire You are the piece I can't replace
You left a mark that won't erase, oh No one else can teach me how to love again
'Cause you left a permanent stain on my heart
And I've been feeling it (yeah)
Never mind what people say cause they don't understand
how you left a permanent stain on my heart
You're never leaving it Never leave, never leaving it
Never leave, never leaving it
Never leave, never leaving it oh, you left a permanent stain on my heart
You're never leaving it Never leave, never leaving it
Never leave, never leaving it
Never leave, never leaving it oh, you left a permanent stain on my heart
You're never leaving it
