

Even Now

Barry Manilow

Even now when there's someone else who cares
When there's someone home who's waiting just for me
Even now I think about you as I'm climbing up the stairs
And I wonder what to do so she won't see
That even now when I know it wasn't right
And I found a better life than what we had
Even now I wakeup crying in the middle of the night
And I can't believe it still could hurt so bad
Even now when I have come so far
I wonder where you are
I wonder why it's still so hard without you
Even now when I come shining through
I swear I think of you and how I wish you knew
Even now
Even now when I never hear your name
And the world has changed so much since you been gone
Even now I still remember and the feeling's still the same
And this pain inside of me goes on and on
Even now, even now when I have come so far
I wonder where you are
I wonder why it's still so hard without you
Even now when I come shining through
I swear I think of you and God I wish you knew
Some how even now
