

# Wake Up Call

## Prodigy

It's been a long time  
It's been a long time  
But I just can't wake up  
Just can't wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
If you feel me  
If you feel me  
Just can't wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
Just can't wake up  
If you feel me  
It's been a long time  
But I just can't wake up  
You gotta  
Back on tour, one, two, three  
We all back on four, you better wake up  
If you feel me  
  
Back on tour, one, two, three  
We all back on four, you better wake up  
Just can't wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
If you feel me  
Back on tour, one, two, three  
We all back on four, you better wake up  
Just can't wake up  
It's been a long time  
It's been a long time  
Just can't wake up  
Back on tour, one, two, three

We all back on four, you better wake up  
If you feel me  
Back on tour, one, two, three  
We all back on four you better wake up  
Just can?t wake up  
Back on tour, one, two, three  
We all back on four, you better wake up  
If you feel me  
Back on tour, one, two, three  
We all back on four you better wake up  
Just can?t wake up
