

# Eternal Life (Road Version)

**Jeff Buckley**

Eternal life is now on my trail  
Got my red glitter coffin, man, just need one last nail  
While all these ugly gentlemen play out their foolish games  
There's a flaming red horizon that screams our names

And as your fantasies are broken in two  
Did you really think this bloody road would  
Pave the way for you?  
You better turn around and blow your kiss hello to life eternal, angel

Racist everyman, what have you done?  
Man, you've made a killer of your unborn son...  
Crown my fear your king at the point of a gun  
All I want to do is love everyone...

And as your fantasies are broken in two  
Did you really think this bloody road would  
Pave the way for you?  
You better turn around and blow your kiss hello to life eternal....

There's no time for hatred, only questions  
What is love, where is happiness, what is life, where is peace?  
When will I find the strength to bring me release?

And tell me where is the love in what your prophet has said?  
Man, It sounds to me just like a prison for the walking dead  
And I've got a message for you and your twisted hell  
You better turn around and blow your kiss goodbye  
to life eternal angel...
