Greed

Pain

Destroy society, erase your enemy
For trying to break you down
Shut down, shut up, give in, give up
The only thing that exists in their poisoned mindI'm not gonna take it anymore
This is my life, I wanna have control
I'm gonna make history
As I'm going on a crusade with my '44Greed, feel the greed
Greed, taste the greedHe feeds of the other people's misery
The power is his greed
He's trying to play God with your life
But we can see it all right throughA lot of people have been suffering
And that gives him a kick
Push him against the wall
And let him taste your fistGreed, feel the greed
Greed, taste the greedFor how long can a man hold his position?
Do anything and still get away with it
What makes him so fucking special?
A corrupted man with power as his only friend
Execution is the only justice
Justice, justice, justice, justiceGreed, feel the greed
Greed, taste the greed
