

# How Many Drinks?

## Miguel

[Verse 1:Miguel]

Frustration (watching you dance)

Hesitation (to get in them pants)

Come closer baby (so I can touch)

One question: Am I moving too fast?[Bridge:Miguel]

Cause' I ain't leaving alone- feel like I could be honest babe

We both know that we're grown

That's why I wanna know[Hook:Miguel]

How many drinks would it take you to leave with me?

Yeah you look good, and I got money

But I don't wanna waste my time

Back of my mind, I'm hoping you say two or three

You look good; we came to party

But I don't wanna waste my time[Verse 2:Miguel]

Temptation (is calling your name)

Sweet persuasion, oh (baby this is a game)

Come closer baby (if you like what you hear)

Impassioned (is what I'm making you feel)[Bridge:Miguel]

Cause' I ain't leaving alone- feel like I could be honest babe

We both know that we're grown

That's why I wanna know[Hook:Miguel]

How many drinks would it take you to leave with me?

Yeah you look good, and I got money

But I don't wanna waste my time

Back of my mind, I'm hoping you say two or three

You look good; we came to party

But I don't wanna waste my time[Verse 3: Kendrick Lamar]

Aha, and what do we have

Your empty heart and my empty bottle and yellow cab

That you are likely to catch but your latest ex made you mad

So I figured the perfect catch would be you if I made the pass

Pool full of liquor then we dive - in it

Knowing if I lick her I might die - in it

Then reincarnate as a fly - gymnast

Just to flip my tongue on you

This the Olympics[Bridge: Kendrick Lamar]

State your name, live in the moment

It's your time to own it, I see it in you baby

She tell me that she never get a first let away[Verse: Kendrick lamar]

And life is a bitch, but every dog has it's day  
Holla pull up, pull up, bring it back, come rewind  
Pull up them bittracks, that pack come behind  
Pool full of liquor then we die - in it  
Pull 'em to the side, let me slide - in it[Vamp:Miguel]  
Or waste your time, or waste your time  
Or waste our time, baby it's alright  
Baby it's alright, baby it's alright yeah  
Oh it's alright now  
Alright. Oh yeah  
I don't wanna waste my time, no  
I don't wanna waste no time, oh no  
I don't wanna waste your time, babe  
I don't wanna waste our time, Oh my time, Oh whoaaa, now[Hook:Miguel]  
How many drinks would it take you to leave with me? (oh yeah)  
Yeah you look good, and I got money  
But I don't wanna waste my time (come wit' me baby)  
Back of my mind, I'm hoping you say two or three  
(yeah it's just a short drive home from here)  
You look good; we came to party  
But I don't wanna waste my time[Outro:Miguel]  
No-no-no.  
I ain't judgin' if you do decide that you might be fucking tonight  
What? More power to you if you do decide that you might be fucking tonight  
I ain't judgin' if you do decide that you might be fucking tonight  
What? More power to you if you do decide that you might be fucking tonight
