

# Bloodstream

Rockie Fresh

Wake up, look me in the eyes again  
I need to feel your hand upon my face  
Words can be like knives, they can cut you open  
And the silence surrounds you and haunts you I think I might have inhaled you  
I can feel you behind my eyes  
Youve gotten into my bloodstream  
I can feel you flowing in me Words can be like knives, they can cut you open  
And the silence surrounds you and haunts you I think I might have inhaled you  
I can feel you behind my eyes  
Youve gotten into my bloodstream  
I can feel you flowing in me The spaces in between  
Two minds and all the places they have been  
The spaces in between I try to put my finger on it  
I try to put my finger on it I think I might have inhaled you  
I can feel you behind my eyes  
Youve gotten into my bloodstream  
I can feel you flowing in me I think I might have inhaled you  
I can feel you behind my eyes  
Youve gotten into my bloodstream  
I can feel you flowing in me
