

Propaganda Pie

Freak Kitchen

Good evening and welcome
Would you like an aperitif? May we recommend
The Disinformation Beef? We do our very utmost
To meet all your demands Just sit back and enjoy
While we wash our dirty hands Feed your hungry eye... Propaganda pie
Have a slice of lie
Propaganda pie We serve the only version
The daily six o'clock buffet We edit your dinner
Cut the improper parts away Special flavorings
Make sure you stay obedient Nothing is more efficient
Than a tampered ingredient Try!
The propaganda pie
Have a slice of lie
Propaganda pie How about some desert?
More manipulated wine? We got the most delicious cake
To send shivers down your spine It's got a funny smack
And the icing is malign... Try!
The propaganda pie
Have a slice of lie
Propaganda pie
