Dandelions Roar

Sponge

Verse:
There you are, you're my falling star.
Though the music's playing, you're my favorite song.
You know this can't be wrong.
It's not like it belongs to you and meeeeee.....To pray, you're my holiday.
You're my blue jean dancer.
Through my dreams you run.
The hope before the loss, before the clouds above me shadow meeeee....Chorus:
You don't seem to care.
Is anybody there?
There is no reason, there is no answer, here's your answer.
Can you the dandelion's roar?Verse:
You're the sun.
You're my lucky one.
Breathe my laughter, when everything is gone.
With all that you promise, all that it cost, you rescue meeeee.....(Chorus)
Coda:
Hear them roar?
I said hear the dandelion's, hear the dandelion's roar.
Hear them roar?{Guitar solo}Chorus:
You don't seem to care.
If any (scars are there, cards are left?).
There is no reason, there is no answer, here's your answer.
Can you the dandelion's roar?
Hear them roar?(Coda, 3 x's){Guitar Outro}
