

# World Keeps Turning

## Dr. Feelgood

(peter a. green)I don't look for no worries

Worries and troubles come around

I don't look for no worries

Worries and troubles come around

World keep on turning

Got to keep my feet on the groundNobody saw me crying

Nobody knows the way I feel

Nobody saw me crying

Nobody knows the way I feel

The way I loved that woman

It's bound to get me killed- guitar break -
