If I'm Lucky

Stacey Kent

If I'm lucky, you will
Tell me that you care
That we'll
Never be apartIf I'm lucky
This will be no light affair
It's forever
From the startIf I'm lucky, there'll be
Moonbeams
All around, shining
Bright as dayYou will hold my hand
And you'll understand
All I cannot seem to say
If I am lucky, there will be
A time an' place
You will kiss me
We'll embraceIn that moment
Every wishful dream
I ever knew
Will come trueIf I'm lucky
I will go through
The years with youIf I am lucky, there will be
A time an' place
You will kiss me
We'll embrace
In that moment
Every wishful dream
I ever knew
Will come trueIf I'm lucky
I will go through
The years with you
If I'm lucky
