

Love Is A Bitch

Dover

They just took my money
I want it, I need it
Well, it's all right
Don't you pull the trigger
I'm waiting for someone
Well, it's all rightDo you know what I'm saying?
I'm talking, do you hear me?
Well, it's all right
Gimme what you owe me
I don't owe you nothing
Well, it's all rightLet's keep the distance
You're not a man
Don't you dare to touch me
You're making me insane
If I would've know
Love is a bitch
