Saviour, Please

Josh Wilson

Savior, please take my hand
I work so hard, I live so fast
This life begins, and then it ends
And I do the best that I can, but I don't know how long it'll lastI try to be so tough
But I'm just not strong enough
I can't do this alone, God I need You to hold on to me
I try to be good enough
But I'm nothing without Your love
Savior, please keep saving meSavior, please help me stand
I fall so hard, I fade so fast
Will You begin right where I end
And be the God of all I am because You're all I haveHallelujah
Everything You are to me
Is everything I'll ever need
And I am learning to believe
That I don't have to prove a thing
'Cause You're the one who's saving me
