## **Not the Same**

## **Bodyjar**

Think of all the things I do
And I still hold the thought of you
With someone else I know it's true
So far awayAnd I can only hold my breath
And start to die a lonely death
With you and me and all the rest
So far awayDon't say I told you so
One thing you'll never knowYou're not the same, you've changed

I don't need you anyway

You're not the person that I believed in yesterdayYou're not the same, you've changed I don't need you anyway

You're not the person that I believed in yesterdayI can't hold it back you see

I know it all comes back to me

You must have practiced hard to be

So far awayNever wanted me to show

Just write me off I let you go

And now there's more for you to know

So far awayDon't say I told you so

One thing you'll never know You're not the same, you've changed

I don't need you anyway

You're not the person that I believed in yesterdayYou're not the same, you've changed Something's missing anyway

You're not the person that I believed in yesterday

That I believed in yesterdayDon't say I told you so

One thing you'll never knowYou're not the same, you've changed

I don't need you anyway

You're not the person that I believed in yesterday You're not the same, you've changed I don't need you anyway

You're not the person that I believed in yesterday

That I believed in yesterday
