

# Only When Ur Lonely

## Ginuwine

You put pressure on me  
Anyway you wanted me  
I was there for you  
Undeniably  
Time over and time again  
You shut me out  
I thought I was your man  
I kept it real with you  
But you was fake with me  
As I close my eyes  
I start thinking things  
Is this love real love  
And all that it brings  
When I close my eyes  
Only you I see  
With another man  
This is killing me  
I am your man  
But Only When Ur Only  
If I was to bounce  
That's when you'd want me  
I am your man  
But Only When Ur Only  
You say its not the same  
But I love you only  
My heart got broken  
When my heart got opened  
Repeatedly .you said you needed me  
You cheated me  
I'm tired of being all alone  
Since you won't call me on the phone  
I've got it together now I'm gone  
Lone gone listen  
As I close my eyes  
I start thinking things  
Is this love real love  
And all that it brings  
When I close my eyes  
Only you I see  
With another man  
This is killing me  
I don't want die alone  
I am your man  
But Only When Ur Only

If I was to bounce  
That's when you'd want me  
I am your man  
But Only When Ur Only  
You say its not the same  
But I love you only I'm far gone? No more using me you won't hurt me  
I can't let that slide, no more using me you won't hurt all my pride I am your man  
But Only When Ur Only  
If I was to bounce  
That's when you'd want me  
I am your man  
But Only When Ur Only  
You say its not the same  
But I love you only Oooh Oooh  
All about  
That's means if I wanna leave  
You would want me  
Every single night baby  
Listen I am your only man  
Every night Every morning  
Right by my side  
C'mon and call me  
Why you won't come back  
You tell me you busy baby  
If its like that  
Won't you let me know  
Won't you let me know baby  
C'mon . You can be real with me  
If I can get real with you  
All I want is the real baby  
All you gotta do is call out my name  
You know I 'll be there for you  
You keep me running  
Oooh baby you got me sprung baby  
Don't have to think about it  
All you gotta do  
Is think of me think of Ginuwine  
And I'll be right there for you Oooh Oooh Oooh . Baby
