

Treat U Rite

Angela Winbush

Come on, (4x)
Ooh, ooh
Come on baby
Let me show you how (4x) Your imagination it seems
Your letting it run away
So tell me
Have I ever dissed you
And if i did it was
Because you deserved it I would never leave you
Unless you gave me a reason to
Untill then i'm gonna love you
And stick by you
You don't have to worry Chorus:
You know
I'm gonna treat you right
(Gonna treat you right)
You know
I'm gonna treat you right
Treat you right
(Gonna treat you right)
You know
I'm gonna treat you right (oh, no)
You know
I'm gonna treat you right (baby)
(Ooh, i'm gonna treat you right, ooh) I see a little tention
You know
It's written all over your face
Boy, a little affection
I'll give it to you
Any time and any place
You don't have to worry
You know
I'll be right there for you
All i want
Is a little in return
So honey, won't you show me
That you love me too (Chorus) Ooh, gonna treat you right
I'm gonna treat you right, boy

Gonna treat you righ boy
That's what im gonna do
Gonna treat you right boy
