Raina

Peter Himmelman

Oh, you left your wild days behind
but some nights, I see it in your eyes
And the people that you call your friends
did you feel it was me for them
You ask me if you?re just a weight well you
talk like that, we get further away, and
I don?t know what else there is to say but:
I - oh, I got such love for you
I - oh, I don?t wanna do what they expect us to
I - oh, I got love for you
I - hey I don?t wanna do..

Guess I?m no good at saying my mind,
but you?re the one I?m with, girl, all of the time
And I know that it?s a thing to pass - but
why?d you have to ask?
You ask me if you?re just a weight
talk like that, we get further away and
I don?t know what else there is to say:
Oh, I - I?ve got such love for you
I- No I dont wanna do what they expect us to
Yeah, I - You know I got such love for you
I - I Don?t want to do what you expect me to.

I got it for you, I got it for you:
So much love..
