

# Center of the Universe (live)

## Kamelot

Move slowly  
Beyond the colors of my eyes  
Move slowly  
Into the corners of my mind  
Rising like the Pegasus  
Each and every one of us  
Released  
Islands in the sea of dreams  
Always searching harmony  
And peace All we find  
Reject our mind  
Don't you wonder why If the war by heavens gate released desire  
In the line of fire someone must have known  
That a human heart demands to be admired  
Cause in the Center of the Universe  
We are all alone Show me sign of paradise  
A place we all would like to go to  
Tell me what to sacrifice  
So there's a chance for me to want you All I find  
Reject my mind  
And I wonder why If the war by heavens gate released desire  
In the line of fire someone must have known  
That a human heart demands to be admired  
'Cause in the Center of the Universe  
We are all alone I have a tale to be told won't you listen tonight  
Follow me into the core of the fountain of light  
Try to imagine that hope is our ship for the soul  
(Over the ocean the quest of your life lies ahead)  
Maybe together we'll find there's a place for us all  
(Follow the star in your mind, sail along sail along)
