

# Everybody Loves a Loser (Edit)

## Morcheeba

This time you have to face your future  
Although it's just a dusty road  
It's clear that backing down don't suit you  
I'd hate to break your sacred code  
People along for the ride  
High noon's getting closer  
I think you'll find  
Everybody loves a loser  
So you'll be fine  
You won't be lonely long  
I think you'll find  
Everybody loves a loser  
So you'll be fine  
You won't be lonely long  
I see you need a trial of fire  
A coward would wisely walk away  
Heaven help us buy your time  
Hideouts get discovered  
I think you'll find  
Everybody loves a loser  
So you'll be fine  
You won't be lonely long  
I think you'll find  
Everybody loves a loser  
So you'll be fine  
You won't be lonely long  
I think you'll find  
Everybody loves a loser  
So you'll be fine  
You won't be lonely long
