

# Selfish (Dj Idan Elbaz Remix)

[Britney Spears](#)

Okay, the shoe is going on the other foot tonight,  
La, la, la  
I'm 'bout to turn you into my very own flight tonight  
La, la, la  
Okay, you think you got me where you want me  
I'mma show you tonight  
La, la, la  
That I'm a girl and you're a boy  
And tonight you gon' be my be my man Oh, oh, oh, oh, oh, oh,  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Oh, oh, oh, oh, oh, oh,  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish Just lay right there and don't you move  
I'm in control tonight  
La, la, la  
Lock you up in my room  
Be my prisoner of love tonight  
La, la, la  
Shut up, sit down  
Who's the boss now?  
I'm 'bout to show you now  
La, la, la  
That I'm a girl and you're a boy  
And tonight you gon be my be my man Oh, oh, oh, oh, oh, oh,  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Oh, oh, oh, oh, oh, oh,  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Boom, boom, baby

Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish  
Tonight I'm feeling sexual  
Come on and play inside my love below  
Strip down and give me my own private show  
I'm gonna be a little selfish  
Be a little selfish  
Tonight I'm feeling sexual  
Come on and play inside my love below  
Strip down and give me my own private show  
I'm gonna be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little Boom, boom, baby  
Pick you up in my Mercedes.  
I'mma be a little selfish..  
Be a- be a- be a...Oh, oh, oh, oh, oh, oh  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Oh, oh, oh, oh, oh, oh  
Tonight I'm gonna be a little selfish  
Be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish  
Boom, boom, baby  
Pick you up in my Mercedes  
I'mma be a little selfish  
Be a little selfish
