

Our Last Adventure

The Nearly Deads

I can't promise that it'll be worth the time that's passed.
But I will do my best to make it last.
'Cause this is all I have to give, all I have to give.
And I don't believe in second chances.
And all my lies caught up to me. So take it and run!
This could be our last adventure.
I won't look back on you with regret.
We are young and we are broken, but we are free.
And we don't hold on to anything. I say that it's not over. We will survive.
I say that it's not over. We will survive.
And I can't promise that your heart will never break.
But I will do my best to put it back together.
We are young and we are broken, but we are free. And we don't hold on to anything.
I say that it's not over.
We will survive with our heads held high.
I say that it's not over. We will survive. We will survive.
We will survive. We will survive. We will survive!
My eyes have finally been opened.
It's time to start a revolution!
My eyes have finally been opened, they're open. CHORUS
