

Love In a Hollow Tree

Cud

Love In A Hollow Tree

Aha! Top song this, good live too. From Leggy Mambo. She's the chief toast

In town,

When the others are gone she's still around,

Butter wouldn't melt in her mouth,

And cheese would probably choke her,

Love in a hollow tree,

If he'd be hanged he'll come hopping

If she'd be drowned she'll come dropping

Love in a hollow tree. I'm so full of love, I'm fit to burst,

You make me drunk enough,

But I still have a thirst,

My goodness, what's going out?

Won't you stop give me a clue to what it's all about?

Love in a hollow tree,

She's so sweet, toasted almonds,

I want to dress you all up in polka dot salmon.
