Tomorrow

Rocko

Hey, hey
Drama, ay! Lemme ask you a quick question bruh
Be honest with me, gon' tell the truth, okay
Yesterday, did you know you'd have this beat tomorrow?
Okay, you a fool bruh
Hey, let's show 'em how we do
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
Nigga, get money today, get some more tomorrow
745 today, Benz Coupe tomorrow
Nigga, play with me today he'll read about his ex tomorrow
'07 baby and I'll catch his ass tomorrow
Buy a car today and buy another one tomorrow
Front my gutter holder, damn my auto beats their auto
Peepin' Magic City, run in blow a couple dollar
Scrooge better move, make bigger hate tomorrow
We at the bar, yeah, on wednesday, stuntin' like my father
At the fever on Thursday, pop a couple bottles
Muh'fuck gutter, I might go back there tomorrow
Hella, stole the day, better waist on the model
I bought a neck piece today, go and buy a watch tomorrow
I bet they hatin' on me today, watch how I stunt on 'em tomorrow
I pissed 'em off today, watch how I shit on 'em tomorrow
Playa ball every day just like there's no tomorrow
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
I'm gon' make some cake today, make some more tomorrow

Make some jewels today then make a couple more tomorrow
If I don't get you straight today then I'll get you straight tomorrow
Vigo hit me told me we'll be okay tomorrow
Six is the day, twenty is the model
Think I did it big today watch how I stunt on them tomorrow
Told her if she swallow, fuck with her tomorrow
So while you mob, borrow her from you tomorrow
Bright in the day, autobahn tomorrow
Get cake every day like it's no tomorrow
Ball like the NBA today for tomorrow
If I live to see I'm ballin' like I hit the lotto
Guc', new Prada, yeah, I gotta lotta
Matter fact, catch me at Atlanta Mall tomorrow
I spend a couple dollars, I get 'em back tomorrow
I'm a stunt every day like it's no tomorrow
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
We gon' stunt, ball, like it's no tomorrow
Hit the mall, buy it all, like it's no tomorrow
Hit the club, party hard, like it's no tomorrow
I'm a live every day like it's no fuckin' tomorrow
