I Came To Party

Deuce

I thought I told ya, I came to party

Hey bar tender, can I get a cup?
Tonight's my night and I'm gettin' fucked up
I hope I still got the charm, got the luck,
'cause all these bitches and ho's look like so much fun

And I just stepped in the club,
feelin' my self like a braille book,
double-fistin' two pitchers of pale ale,
both stale as fuck
And all these busted females
lined up at the bathroom,
in and out,
we know what they doin'

I came to party, I came to party
Hands up girl give me that body
I can tell you want somethin' from me,
'cause everything you think girl I can see
I came to party, I came to party
Hands up girl give me that body
I'm a make you mine before I leave,
'Cause every little thing you do to me,
got me goin' crazy

I thought I told ya, I came to party

Let's have a party girl,
you can bring your friends tonight,
after the club
we can play all the games you like
Yeah the stakes are high,
but if your cards right,
you'll be wakin' up naked;
what happened last night?

Too bad you're, just another notch in the bedpost,
tryin' a get close and cuddly
My girl stays in Brooklyn,

you just my west-coast fuck buddy
Get that through your skull girl,
I'm here for one night,
and please quit fuckin' up my buzz 'cause

I came to party, I came to party
Hands up girl give me that body
I can tell you want somethin' from me,
'cause everything you think girl I can see
I came to party, I came to party
Hands up girl give me that body
I'm a make you mine before I leave,
'Cause every little thing you do to me,
got me goin' crazy

I thought I told ya I came to party
Ya I came, I came, to party

Sip, sip, sip, sip, sippin' on some bomb shit
Tick, tick, tick, tick, its about that time bitch
Sip, sip, sip, sip, we party hard and never quit,
west coast, east coast, yeah you lovin' it
Sip, sip, sip, sip, sippin' on some bomb shit
Tick, tick, tick, tick, its about that time bitch
Sip, sip, sip, sip, we party hard and never quit,
Deuce, Truth, Travie, yeah you lovin' it

Yeah you L L L L lovin' it

I came to party, I came to party
Hands up girl give me that body
I can tell you want somethin' from me,
'cause everything you think girl I can see
I came to party, I came to party
Hands up girl give me that body
I'm a make you mine before I leave,
'Cause every little thing you do to me,
got me goin' crazy
