Little Song Bird

Black Prairie

Little Songbird
where did you go
out to the grey skies
out through the windowLittle Songbird
who are you singing to
only the pine trees
only my loved oneLittle Songbird
won't you come on down
sing me a good tune
I need a good song
Little Songbird
who are you singing to
only the pine trees
only my loved oneLittle Songbird
why do you cry
outside is winter
and you're warm insideLittle Songbird
who are you singing to
only the pine trees
only my loved oneLittle Songbird
where did you go
out to the great sky
out through the window
Little Songbird
won't you come on down
only the pine trees
only my loved one
