

Banana Boy

Eden Ahbez

My, my banana
Grabbed from the tree
Bye my banana
And you make me happy

I have a hideaway
Down by the sea
That's where the one I love
She waits for me

Bye my banana
Fresh from the tree
Bye my banana
And you make me happy
And you make me happy

Bye my banana
Fresh from the tree
Bye my banana
And you make me happy
And you make me happy
And you make me happy, happy
