Change

John Waite

People talking
And they're saying that you're leaving
So unhappy
With the way that you've been livingOh oh oh
We always wish for money
We always wish for fame
We think we have the answersSome things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never changeLook in the mirror
And you see how you've been taken
You won't surrender
But now your heart is breakin'Oh oh oh
We always wish for money
We always wish for fame
We think we have the answersSome things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never changeDo you remember
When you got your lucky break
You're looking back now
And it seems like a mistakeOh oh oh
We always wish for money
We always wish for fame
We think we have the answersSome things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never changeIt's only change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never changeIt doesn't matter who you are
It's all the same (change)
What's in your heart will stay the same
It doesn't matter who you areIt's all the same (what Â¹s in your heart)
It's only
It's only
It's only changeNever (it doesn't matter)
You ain't gonna
You ain't gonna change (what's in your heart)

You ain't gonna changeDoesn't matter who you are
