Highest Praise

Walter Hawkins

Verse 1:
Clothed in glory, rich in mercy
You are holy and we sing
Angels bow down, all earth cries out
You are holy and we sing

Chorus:
The earth resounds to sing Your fame
Calling out to bless the name of Jesus
With Highest praise
You are worthy, you are worthy
And forever you deserve the glory
And highest praise

Verse 2:
God of ages
Every nation will bow down and worship You
Lamb of heaven, kings and peasants
Will bow down and worship You

Bridge:
Great in power, full of wonder
All the honor and highest praise
