

# Somebody's Watching Me

## Kids Sing'n Halloween Hits

Who's watching?  
Tell me who's watching.  
Who's watching me? I'm just an average man, with an average life.  
I work from nine to five; hey hell, I pay the price.  
All I want is to be left alone in my average home;  
But why do I always feel like I'm in the Twilight Zone, and I always feel like somebody's watching me.  
And I have no privacy.  
Woh, I always feel like somebody's watching me.  
Tell me is it just a dream? When I come home at night.  
I bolt the door real tight.  
People call me on the phone I'm trying to avoid.  
Well, can the people on T.V. see me.  
Or am I just paranoid? When I'm in the shower.  
I'm afraid to wash my hair.  
'Cause I might open my eyes  
And find someone standing there.  
People say I'm crazy.  
Just a little touched.  
But maybe showers remind me of  
"Psycho" too much.  
That's why. . . I always feel like somebody's watching me.  
And I have no privacy.  
Woh, I always feel like somebody's watching me.  
Who's playing tricks on me? Who's watching me?  
I don't know anymore . . . are the neighbors watching  
Who's watching?  
Well, it's the mailman watching me: and I don't feel safe anymore.  
Tell me who's watching.  
Oh, what a mess. I wonder who's watching me now,  
(WHO?) the I.R.S.? I always feel like somebody's watching me.  
And I have no privacy.  
Woh, I always feel like somebody's watching me.  
Who's playing tricks on me? I always feel like somebody's watching me.  
I always feel like somebody's watching me.  
I always feel like somebody's watching me.  
I always feel like somebody's watching me.  
I always feel like somebody's watching me. I always feel like somebody's watching me.  
And I have no privacy.  
Woh, I always feel like somebody's watching me.

I can't enjoy my tea.I always feel like somebody's watching me.

I want my privacy.

Woh, I always feel like somebody's watching me.

Woh, I always feel like somebody's watching me.

Stop playing tricks on me

Woh, I always feel like somebody's watching me.
