I Was a Fool

Limahl

I open my eyes to find you're not there
And quickly arise
Yes I was led to believe we had a love affair
But you have deceived meWill my life be confined and memories of you
Thoughts in my mind
Give back the heart that you stole
My love for you has been so out of controlChorus:
I was a fool
To have fallen for you
Yes I was a fool
To have fallen for youNow as you exit the stage and close another file
I'm turning the page
To ask who has taken my place
I need to have just one more look at your face
(chorus)
Repeat 'till fade
