Telling Lies

Great Northern

Step on the tracks
Feel you're alive
It's not any worse
Closer in timeIt's like a perfect picture
Of ordinary life
You hit the bottom
To see if you're aliveYou'll be here some time
Traces in your eyesBending backwards
To look behind
Pushing forward
Killing timeYou thought of a change in time
You thought it would change your mind
You thought you'd be first in line
You thought it would change your lifeIt's like a perfect picture
Of ordinary life
You hit the bottom
To see if you're aliveYou'll be here some time
Traces in your eyesYou'll be better off not wasting your time
A sentimental heart is always last in line
A sentimental heart is always last in lineIt's like a perfect picture
Of ordinary life
You hit the bottom
To see if you're aliveIt's like a perfect picture
Of ordinary life
You hit the bottom
To see if you're alive
To see if you're alive
